

## *The Cambridge University Energy Network*

# **THE IMPACTS OF CLIMATE CHANGE - what do we know, how do we know it, and what should we do?**

CUEN is delighted to offer you the chance of getting engaged with a less technical aspect of climate change within our second lecture.

The theme is on a critical synthesis of information from the *science* and *economics* of climate change. We proudly host Dr. Chris Hope as our speaker, who is a University Reader in Policy Modelling at the Judge Business School.

*Refreshments will be served!*

**Speaker:** *Dr Chris Hope*

**When:** *Thursday 28<sup>th</sup> February, 7pm*

**Where:** *Dept. of Pharmacology*
