WIND ENERGY TURNS TO BAMBOO

CUEN is delighted to host the renowned lecturer and entrepreneur *Dr Jim Platts*, as part of our lecture series.

This seminar will show how wind turbine technology is developing and illustrate the ethos underlying the industry's concern for environmental, economic and social sustainability.

Refreshments will be served!

Speaker: *Dr Jim Platts*

When: *Wednesday 30th April, 7pm*

Where: *Dept. of Pharmacology*
